2. For the State license plate number, record the number of the most current State plate in your possession (Temporary/Permanent).
3. Senior Citizen discount is valid for vehicles owned by residents who are sixty-five (65) years of age or older by May 31st preceding new sticker year. Handicap discount is valid for vehicles owned by residents with handicap license plates or permanent handicap placard.  
  
Limit two (2) discounts on lowest priced stickers per household as indicated by asterisk. For discounted stickers, you must provide vehicle registration, proof of age and permanent handicap placard or disability status for vets to qualify.
4. Return the completed application form intact (do not separate) to Village Hall with your check or money order, either in person, mail, or drop box located outside the Village Hall. Passenger Car Licenses (cars, motorcycles, and "B" trucks only) are also available at various Currency Exchanges within Elk Grove Village. To avoid long lines, please complete and return your application early.
5. **DISPLAY IMMEDIATELY-** stickers must be displayed in the passenger side lower right hand corner of the windshield by June 1st. Stickers are valid June 1st to May 31st . **Failure to purchase and display the current sticker by June 1st will be subject to police enforcement and additional penalties.**
6. No refunds will be given after thirty days from the date of purchase.
7. If you trade-in your vehicle or replace your windshield during the sticker season, remove the current sticker from window and return it for a \$3 transfer sticker. Without the return of the old sticker, your replacement sticker will be full price. Lost or misplaced stickers are not eligible for the \$3 transfer rate – replacements are at original cost.
