

A white ambulance with red and blue stripes, labeled "ELK GROVE VILLAGE FIRE DEPARTMENT" and "AMBULANCE". The number "127" is visible on the side and front. A red heart rate line graphic is on the side. The number "7" is on the front and side. The text "CPR" is partially visible on the side. The ambulance is parked in front of a building with large red doors.

# CARDIO PULMONARY RESUSCITATION (CPR) CLASSES

The Elk Grove Village Fire Department offers CPR training courses tailored for local businesses. These programs help ensure employees are prepared to respond to medical emergencies in the workplace. For more information or to schedule a training session, please contact the Fire Department.

**CPR (Layperson)** – This classroom, video-based, instructor-led course teaches adult, child, and infant CPR, AED use, and choking relief. Using the American Heart Association’s research-proven Practice-While-Watching (PWW) technique, students gain hands-on experience as instructors provide guidance and feedback. This course is for individuals with limited or no medical training who require a course completion card for job, regulatory, or other requirements.  
*Class Cost: \$50.00/person Class Duration: 2 hours*

**CPR (Healthcare)** – Designed for healthcare professionals, this instructor-led course focuses on single-rescuer and team-based CPR, high-quality chest compressions, AED use, and choking relief. Participants will learn to manage life-threatening emergencies in prehospital and in-facility settings, with emphasis on team dynamics and effective responses.  
*Class Cost: \$60.00/person Class Duration: 3 hours*
