

FIRE EXTINGUISHER TRAINING

The Elk Grove Village Fire Department offers extinguisher training course. These courses help ensure employees are prepared to respond to an emergency in the workplace. For more information or to schedule a training session, please contact the Fire Department.

Indoor Extinguisher Training - Ideal for inclement weather or locations with space limitations, this option utilizes a compact, indoor fire safety prop. It provides an effective and cleaner training alternative while still delivering essential fire safety education in a professional setting.

Class Cost: \$20.00/person

Outdoor Extinguisher Training - This option features a live fire demonstration conducted in a controlled environment. It requires a large, open space—such as a parking lot—and offers participants a realistic, hands-on fire safety experience. Please note that due to the nature of live fire, this option may involve some cleanup afterward.

Class Cost: \$30.00/person
